LOAN BRIEFING Small Business Financing – Accessing Capital

Does your business need money for working capital, inventory, equipment, leasehold improvements, renovations or expansion? Are you tired of paying rent and thinking of purchasing property for your very own business facility? If the answer to either of these questions is "YES", then you should attend this briefing! By attending you will learn how to access needed capital. Instructors will define the importance of credit, planning and preparation - three key elements in securing a small business loan. Hear about SBA's guaranty loan program and how it can be an option for you - SBA assists eligible start-ups and existing businesses. All are welcomed.
